KYLIE PARK, OUR NEW CARE COORDINATOR

Kylie was born in Roosevelt, Utah, and was raised in Vernal, Utah, on a farm. She has a love for the outdoors; going camping, fishing and hunting, are some of her favorite things to do. A dream of hers is to go on an Alaskan moose hunt. She is the youngest of three children, and has two older brothers. She attended West Jordan High School, where she was on the honor roll every year. She is now attending Salt Lake Community College, and her goals are to become a nurse. Kylie has been a CNA with Carrington Court for three years now, and has just been promoted to our new Care Coordinator. She works directly with our Nursing Director, Nicole, to develop the care plans for all the residents here. We all congratulate Kylie, and are very excited that the care the residents receive will be even more specialized! She is dedicated to all the residents, and we are lucky to have her a part of the team!
