Welcome Neda Baker our new Director of Nursing!

Carrington Court would like to introduce our new Nursing Director, Neda Baker. She was born and raised in Salt Lake City, Utah. She is married, and has one son who is ten years old, and a daughter who is sixteen. Neda says one of her biggest accomplishments is how loved and cared for her children feel. She has been to many places with her family, but still hopes to travel to Italy (for their delicious food), Hawaii, and to take an RV trip down the west coast from Washington State. She loves to go fishing, camping, four wheeling, and of course, shopping. She would like to one day take up archery.

Neda started her career in home health, and behavioral health. Before coming to work at Carrington she worked in skilled nursing. She believes in working hard, but also enjoying life to the fullest. She finds the beauty in everything. She loves being creative and helping to make this world a better and prettier place. Her dream for the future would be to win the lottery and to have a house on a lake. We are so excited to have Neda here at Carrington Court, and look forward to everything she will contribute. She has a wonderful, friendly personality and a great smile. We welcome Neda, and look forward to all the wonderful things she will do for the residents at Carrington!

GARDNER VILLAGE

Our annual October field trip to Gardner Village is Wednesday, October 9th. We will load the bus at 1:45. Please join us in a spooky afternoon filled with witches flying in the sky, and making up brews to cast spells on all of us. It is always a fun event to start out the fall season.

Happy Birthday!
